What is Exclusionary Coverage?

It is the best repair coverage beyond the factory warranty that you can get. PORTFOLIO EXCLUSIONARY covers just about everything. It’s easier to list what is not covered—EXCLUDED—than to list everything that is covered.

Over 5,000 components covered!

What’s Excluded?

Routine maintenance items such as: oil, coolant, fluids, refrigerant and others.

Items that occasionally need replacement such as: battery and cables, lights and bulbs, tires, brake pads, brake drums, brake shoes, exhaust system, shock absorbers, and strut insert cartridges.

Appearance concerns and exterior items such as: bright metal, vinyl, wheel covers, ornaments, and paint.

Interior items such as: upholstery, buttons, carpet, door and window handles (see service agreement for complete list of what is not covered).

Protect Yourself From Unexpected Repair Costs Like These.*

*Actual costs vary according to year, make, and model, and from state to state. These are representative possible costs from Portfolio data.
